NEW JERSEY INSTITUTE FOR CONTINUING LEGAL EDUCATION
CELEBRATING OVER 40 YEARS OF SERVICE TO THE BENCH AND BAR

The New Jersey Institute for Continuing Legal Education was created in 1962 to help lawyers and judges increase their general professional competence, keep abreast of developments in the law, and become more proficient in selected areas of practice. Since 1962, ICLE has served the educational needs of the New Jersey bench and bar and continually strives to respond to their many and varied concerns.

A non-profit, completely self-supporting organization, ICLE is the joint venture of the New Jersey State Bar Association, Rutgers - The State University of New Jersey, and Seton Hall University. Representing a merger of the practicing bar and the academic community, the Institute is governed by an autonomous Board of Trustees, which includes representatives of the State Bar Association, deans of the law schools and officers of the participating universities.

The Institute presents more than 230 seminars each year throughout the State, offers CDs of seminars, markets software programs especially designed for the practicing attorney, and publishes comprehensive practice manuals and lecture handbooks. Its programs and publications must be financially self-supporting since ICLE is not subsidized in any way. The professional staff of attorneys and administrators, aided by a dedicated support staff, is headquartered at the New Jersey Law Center in New Brunswick, along with the State Bar Association, the State Bar Foundation and IOLTA.

The ingredients that contribute most to the stature of the Institute are the talent, time and effort expended by the very best of New Jersey attorneys, representing every field of specialization and every type of practice. The voluntary participation of practicing lawyers and judges as ICLE lecturers, authors, and advisors is appreciated and encouraged, for without their assistance, high quality continuing legal education would not be possible.

The Institute welcomes this opportunity to serve you.

The material contained in this publication is for educational purposes only and is not intended to serve as a substitute for the professional services an attorney would normally provide to a client, including up to the minute legal research.
