®NEW JERSEY INSTITUTE FOR CONTINUING LEGAL EDUCATION

For over 50 years, the New Jersey Institute for Continuing Legal Education, a division of the NJSBA, has served the needs of the New Jersey bench and bar. From seminars and legal manuals to CLE On-Demand videos and other educational tools, our products are designed to provide the latest strategies, expert advice, and guidance to practitioners at every stage in their career.

Our success in providing the legal community with the highest quality educational products would not be possible without the countless attorneys, doctors, dignitaries, and other legal experts who volunteer their efforts to serve as lecturers and authors. NJICLE is proud to be the conduit through which they share their knowledge, skills, and expertise with their fellow professionals.

Dedicated to my daughter, Stephanie, as she launches her own career

ACKNOWLEDGMENTS

My acknowledgments fall into three categories. First, I am blessed to have Glenn Henkel and Gerard Brew as friends. The fact that they are contributors to this book makes the treatise much better. Likewise, the good people at the New Jersey Institute for Continuing Legal Education continue to support and implement this project in a professional and effective manner.

Second, my colleagues at Archer & Greiner, P.C., make this book viable. Those colleagues range from support staff to summer associates, and to lawyers of all levels of experience and expertise. Listing each person would consume pages.

Lastly, but most importantly, I thank my family. About fifteen years have passed since I wrote the acknowledgments to the first edition. I thanked my parents at that time; they have passed on but remain an inspiration. My daughters, Stephanie and Alexis, continue to grow into fine young women who make me proud each day. My wife, Lesley, remains my best friend, and she and my daughters have persisted in their patience and understanding as I completed this third edition.
