THE NEW JERSEY INSTITUTE FOR CONTINUING LEGAL EDUCATION

For over 50 years, the New Jersey Institute for Continuing Legal Education, a division of the NJSBA, has served the needs of the New Jersey bench and bar. From seminars and legal manuals to CLE On-Demand videos and other educational tools, our products are designed to provide the latest strategies, expert advice, and guidance to practitioners at every stage in their career.

Our success in providing the legal community with the highest quality educational products would not be possible without the countless attorneys, doctors, dignitaries, and other legal experts who volunteer their efforts to serve as lecturers and authors. NJICLE is proud to be the conduit through which they share their knowledge, skills, and expertise with their fellow professionals.

For more information about NJICLE seminars and publications, please visit NJICLE.com.

The material contained in this publication is for educational purposes only and is not intended to serve as a substitute for the professional services an attorney would normally provide to a client, including up to the minute legal research.
