

Your law school success begins here.

The most widely used Law Student Success Platform, developed by Law Professors.

CaseBriefs® & SmartBriefs®

Pro briefs are written by attorneys, law professors, and law school tutors to make certain that you are reviewing case briefs written only by legal experts.

Lessons

Pro's Professors make certain you understand what you need to know about each law topic you will study so you easily grasp the legal concept.

Outlines

Pro's Course Outlines are concise, Black Letter Law interactive outlines specifically written for exam preparation and success.

Refresher Courses

Only Pro has a complete Series of hundreds of review Refresher Courses designed, developed and organized by esteemed Law Professors.

Issue Spotting Essays

Real Law School questions organized by Topic and Full Course, each question includes the Professor Model Answer and Explanation for exam success.

Multiple Choice Questions

With thousands of questions by Topic and Course, each quiz is graded and is accompanied by a Professor Answer and Explanation.

Exam Prep Workshops

Professor delivered videos reviewing with you how to read, analyze, dissect and then answer a real law school exam question.

User Metrics & Data

Pro provides an up-to-date metrics and data report of your accomplishments and progress so you can keep track of what you have done.
