WOMEN'S LEADERSHIP CONFERENCE

Sponsorship Opportunities

Monday, March 2 • 9 a.m.–4 p.m. • New Jersey Law Center *and* Online

Practicing Law on Your Own Terms

The NJSBA Women's Leadership Conference returns for another inspiring and empowering day designed to motivate attorneys at every stage of their career. Join accomplished practitioners who have used their law degree and their creativity to build careers on their own terms. From launching and leading firms, to founding innovative businesses, to serving as in-house counsel, to holding influential government roles, these trailblazing lawyers have charted their own paths to success. There will be breakouts specific to attorneys in solo and small practices, government and in-house attorneys and those in larger firms. Learn from the best and discover insights you can apply to your own career. The day's keynote speaker is Christine Quinn—former New York City Council Speaker, author, cable-news political commentator, and CEO of Women In Need—whose career spans public service, media, and advocacy for women's equality.
